Anya, Gurgaon has announced the opening of Delhi NCR's first Amaltas Spa by L'Occitane in collaboration with L'Occitane, a well-recognised French beauty and wellness brand. This is the first L'Occitane spa in Delhi NCR. Other L'Occitane spas are located in several cities across India including Amer, Gulmarg, Jaipur, Mumbai, Udaipur, Mussoorie and Hyderabad.

The Amaltas Spa by L'Occitane at Anya, Gurgaon offers signature treatments inspired by the Amaltas tree, also known as the Laburnum or Golden Shower Tree, a very emblematic tree found in and around Delhi.

The spa has four luxurious indoor treatment rooms all featuring private steam and shower chambers and includes two spacious couple suites that have free standing bathtubs for a relaxing soak. In addition, the Anya Suite at the hotel offers spa services to guests in the privacy of their room.

Commenting on the opening of Amaltas Spa by L'occitane at Anya, Gurgaon, Marcel Vadera, Director, Anya Hotels and Resorts said, "The Anya experience is all about it being unique and we are thrilled to be the first home for the L'Occitane spa in the National Capital Region. This exclusive haven of Provençal relaxation and rejuvenation along with its retail offering is a sure delight to our guests."

"Life in Gurgaon, Delhi NCR's millennium city is fast paced, and there is a great demand from its residents for rejuvenation facilities close to their homes. Anya, Gurgaon, being strategically located on Golf Course Road was the perfect choice to play host to Amaltas Spa by L'Occitane", said Darpan Sanghvi, Managing Director, Sanghvi Brands, L'Occitane's exclusive Spa partner in India, "It is time that both residents and business travelers experience and be revitalised by Mediterranean art de vivre and traditional Provençal techniques," he added.

"We are extremely happy to announce the opening of Amaltas Spa by L'Occitane at Anya, Gurgaon. This is the first Spa by L'Occitane in Delhi NCR which will certainly lead to other exciting openings in the future," said Gilles Moutounet, Country Head (India), L'Occitane. "The spa activity is complementary to our retail activity which is already strong in Delhi with three standalone stores located in Khan Market, Select City Walk and DLF Promenade where everyone can experience the full range of our products. There has been a growing demand for the brand since we started 5 years ago in Delhi. The opening of Amaltas Spa by L'Occitane at Anya, Gurgaon, comes at a perfect time since many customers are already familiar with the brand and will now be happy to experience the full benefits of traditional therapies fused with L'Occitane ingredients".

The Amaltas Spa by L'Occitane at Anya, Gurgaon's well-trained staff works under the guidance of Wellness Consultant & Spa Manager Suyash Singh.

Guests can choose from a gamut of rejuvenating treatments from aromatherapies to concentrated deep massages to nourishing body scrubs and body wraps for complete rejuvenation. Besides regular member privileges comprising complimentary Spa treatments, Member's only Signature therapies, complimentary Provençal steam experiences and special member previews to new products/treatments, members will also be able to avail benefits at all participating L'Occitane Spas in India.
